Mein neuer Freizeitgestalter ist so gross wie mein ganzer Geschlecht. Mit ihm kann ich die ganze Nacht reden und mich ungenieren in seinem Sack und dem Schwanz bedienen. Tja, Glück muß ein apt sein Schätzchen als ich eben haben

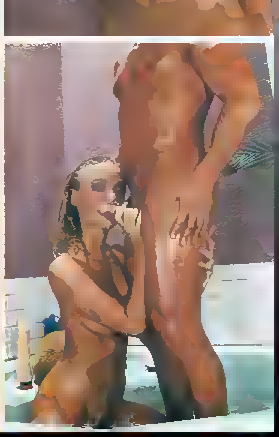

Mijn nieuwe vrijgezel is zo groot als mijn hele geslacht. Met hem kan ik de hele nacht praten en me ongegeneerd van z n zak en z n pik bedienen. Tja, geluk moet een lapa zijn als ik wat een beetje hebben

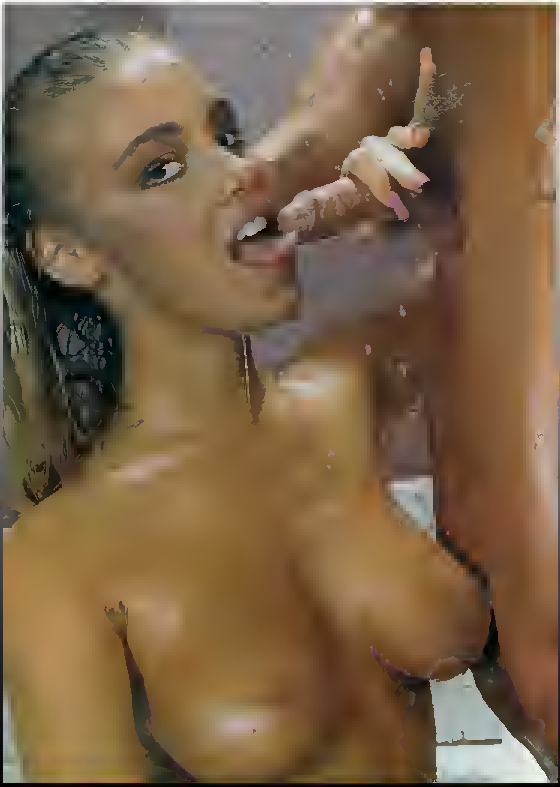

Min nye fritidsbeskæftigelse er lige så stor som hele min slægt. Jeg kan sige fræk ting til ham og uden hæmninger betjene mig af hans pung og pik. Tja, at holde ham er lidt lig lykke altså smør.

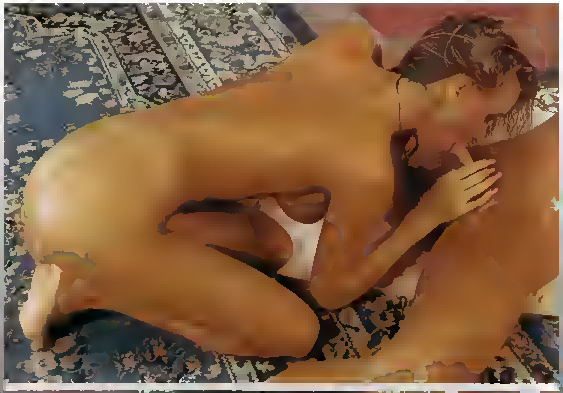

My new stud is just my style. I can talk to him like a pro, and I can unthinkitatedly use his balls and cock whenever I want to. Well, I really am a lucky darling

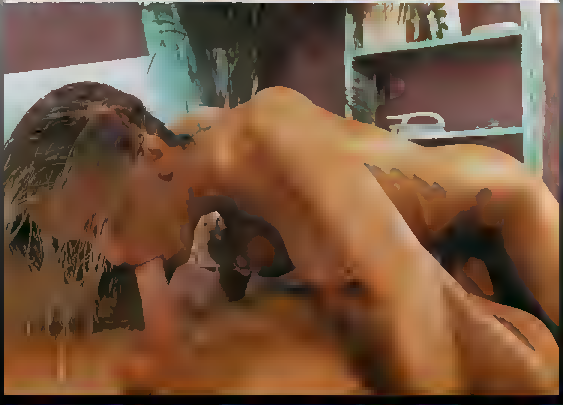

Mon nouveau passe-temps correspond exactement à ce dont j ai besoin. Je peux lui parler comme une pute et me servir sans retenue de ses couilles et de sa bite. Eh oui, il faut avoir de la chance dans la vie

Y en mi tiempo libre me lo paso de rechupete con mi nuevo juguete. Le puedo hablar como una verdadera puta y manejar huevos como me da la gana. Pues sí hay que tener suerte en la vida

Rita

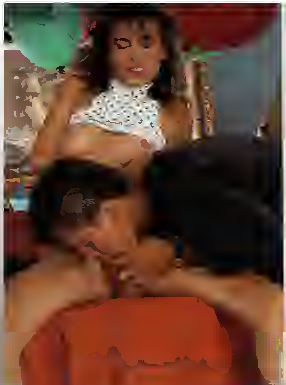

. . . open heart,
open pussy . . .

Wat Adam nicht in der Hose hat, trägt er in der Hose. Aber wenn er etwas kapiert, behält er es für immer. Zum Beispiel, daß ich gerne meine heiße rasierte Spalte beim Donnerstag liegt der Junge verliebt ich zwischen meinen Schenkeln!

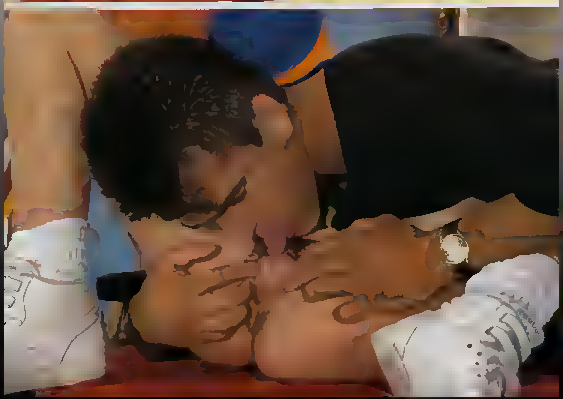

Wat Adam niet in de kap heeft, heeft le in z n broek. Maar als le één keer iets goed snapt, onthoudt le 't voor altijd. Bijvoorbeeld dat ik graag m 'n gaaije kunt scheren. Ik kan er van op aan dat de jongen iedere Donderdag tussen m 'n dijen ligt!

Hvad Adam ikke har af hjerne har han i bukserne Men når han endelig fatter noget, så husker han det for altid. F eks. at jeg kan lide at barbere min flade Hver torsdag ligger ferm trofast mellem mine lår.

Ce qu'Adam n a pas dans la tête, il l'a dans son slip Mais quand il a compris quelque chose, il s en souvient pour toujours. Par exemple, que j aime le laisser raser ma chatte Chaque jeudi le mec se retrouve fidèle entre mes cuisses!

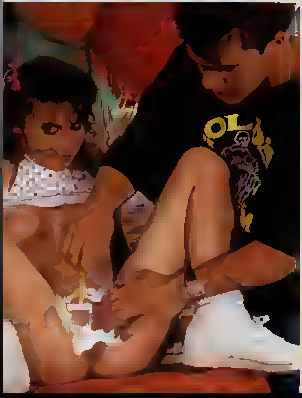

Things he not too much in Adam's head, but quite a lot inside his pants. And once he has understood something, he never forgets it. Such as that I love to have my cunt shaven So every thursday that bloke works between my thighs!

Lo que le falta a Adam en la cabeza lo lleva de sobra entre los pierna. Pero una vez que he comprendido algo nunca se le olvida Por ejemplo que me encanta afeitarla rajita Y todos los viernes el nene se los pasa entre mis piernas!

Sobald die scharfe Klinge ihre Zehn durch meinen fleischigen Bär zieht, flippe ich fast aus vor Geilheit. An meinem ganzen Körper kribbelt es, und die Vibro-Nektar-Infusion über die Schnuttputen. Ein Super-Cocktail für jeden Pelmo-Figuro!

Ze gaan het scherpe scheermes van haar voor mijn pikkige poes trekt, zal ik bijna flauw van geilheid. I Kribeli over mijn hele lijf en de kut-Vibrar druppeli over m n schnuttpipan. Een super-cocktail voor alle kutten Figuro's!

Kad oštrice kože ui kosac pare virsbic pakultim od umbudanja. Cijelo tijelo mi krbli a mikrot ni se mljevnja kao pratci. Ja je kuktal buli vrsji partveri ubcijanja

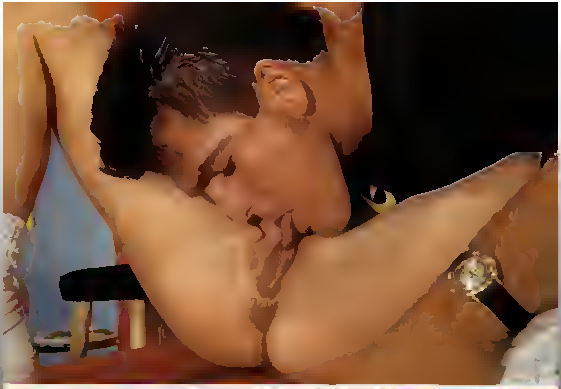

Kdovmrt den ostrpe klinge begynder at pløje sig ned gennem min kødede bjørn, flipper jeg helt ud af lidenskab. Det kribler i hele kroppen og min fissevibrar lober alle over mine skovmikker. En super-cocktail for enhver fise-figurn.

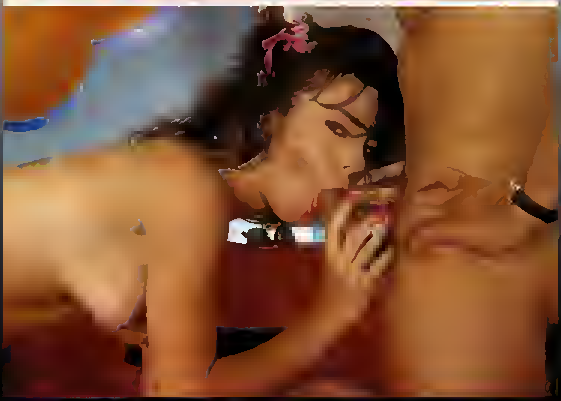

When the hot blade makes its way through my bushy beaver I nearly go bonkers with horny passion. My body is spanning and my cunt flyo are fissabed. A super cock tail for each cunt cuffferr!

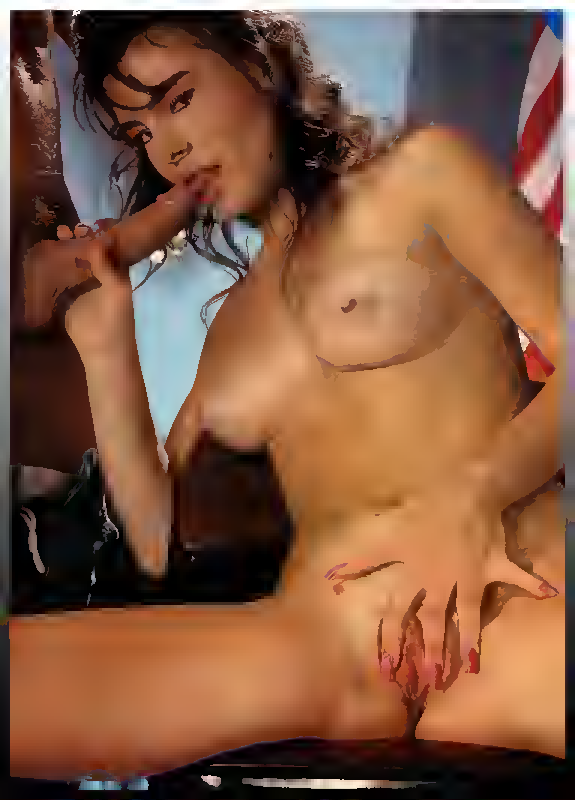

Dès que la lame tranchante se fraie un chemin à travers ma touffe, je suis comme à moitié mort. Tout mon corps tremble et mon jus d'abricot bronche mon kyoyo. Un cocktail de choc pour tout Figuro de chattes!

Y cada vez que me pasa la afilada por mi raja me muero de calor y casi pierdo el ejecio. Mi cuerpo es pura a tirtar y mi rajita se mueja y me lleva las plantas de jugo. ¡Qué cóctel! ¡Cualquiera se chupa nuestros dedos por probarlo!

GOL

Eine Pussy ist Ihnen viel lieber? Dann sollten Sie sich mit Vulkfinger ich spüre den Schaum viel intensiver. Herrlich provozierend klatschen die Eier mit Power gegen die nackten Schamlippen, und tief durch spüre respiriert der Rüder auf! Jedem Kommel-Stuß!

Een poesje met een hele hop vlgt dien favor beter dan één met een dikke bas haar. Ik vind de pik veel interessanter. Zelfs terwijl hij achter de ballon zit! Jeucht tegen en ik raakte schaarlijk en m'n klitoris reageert op geil als een chihuahua op iedere wip-stoot!

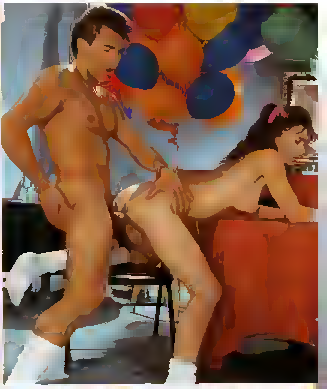

Hoffa ni ze heeft de oberflächen plötzlich sogar kiel ja wünsche sie heute. Sie übrigens traumhafte injektion bullte u zebi. Sie bemerkenswerte kupfer u klitoris tue hoff kontakt.

En ytterbuxerst finne knepper ti gange bedre ord en med fuldskaug. Jeg marker pikken mygt varm ti timet. Muscrie klumber med mine ragne skamlæber på en meget prosaiserte måde og min klitoris reagerer meget kraftigt ved hvert stød.

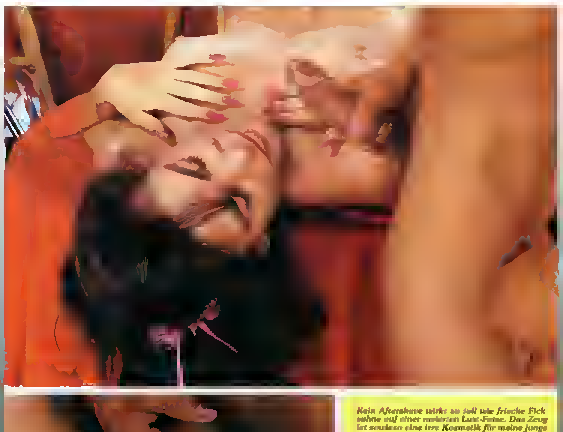

A shagon gossy scrotum tan kfuna bottes. I can feel the cock wash bottes. Most meaningly the balls slap hard against my wiener cunt lips and my throbbing clit gets harder with every stroke!

Une shottie rande boine ole fois coteur qu une poitue. Je sens la bite beaucoup plus intensément. Les couilles viennent s'écraser bruyamment sur les lèvres hontes. du vagin et le clito réagit violemment à chaque coup de branlette!

Y eres una culita achon se puede joder mil veces mejor que una polluda. Se tiorne mucho mejor in picha. Y las pelotas me pegan contra los calgos y suena rue que tre cacha in picha hasta el fondo cabulla e guanta.

Kein Abendhemd würde so toll wie frische Eier Eck saßte auf einer weiteren Last-Seine. Das Zeug ist sexuellen eine ten Kommalik für meine junge Haut. Ich kriege gar nicht genug davon. und deshalb könnte ich mir die Sperma Wurst gleich noch mal rein!

Beim after-shave wurkt es genau ein verse mein room an een geschenen well unige kut. Het spul is absoluut een te gekke schoonheidscrème voor mijn jonge huid. Ik krijg er nooit genoeg van an daarom denn ik de spermaworst weteen oog een kwerige rose binnen!

Nema kolonjska boji tako osnježavajuće djeluje na mlade obrijane pica kao što djeluje sperma. Sperma je osnježja kozmetika mrvinice za moju njeđnu kožu. Nje mi nikada nije dosta.

Ingen aftershave er så vidunderligafuld som frisk sæddeglæde på en barberet finne. Sædcelle er det den helt perfekte kosmetik for min sarte hud. Jeg kan slet ikke få nok af det, derfor ælh kar jeg sperma-pølsen ind igen.

Aucune lotion après rasage n'est aussi efficace sur une chatte rasée que du foutre frais. Cette substance est d'ailleurs le meilleur produit pour ma jeune peau. J'en demande toujours plus, c'est pourquoi je me suffle le dard à nouveau!

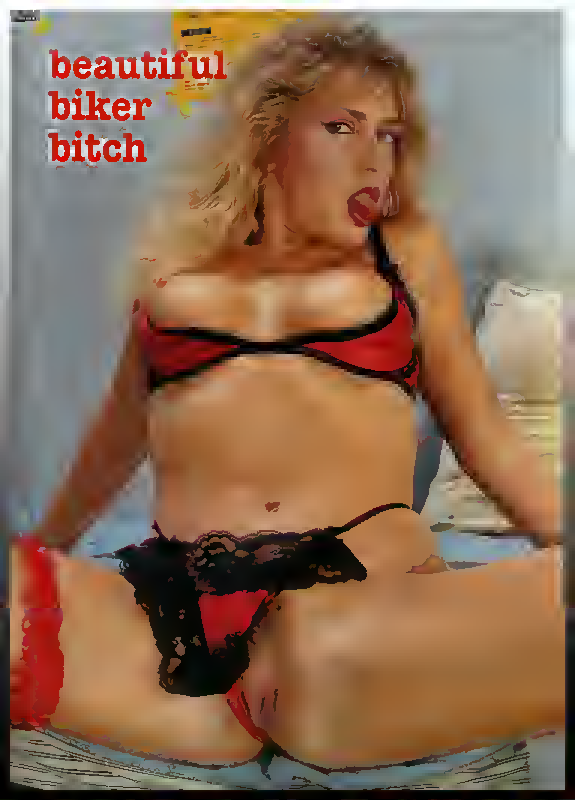

Fresh sperm is the best after shave for a bald cunt. And it's my favourite lotion for my young skin. I can never get enough of it, and so I shove up the thing one more time!

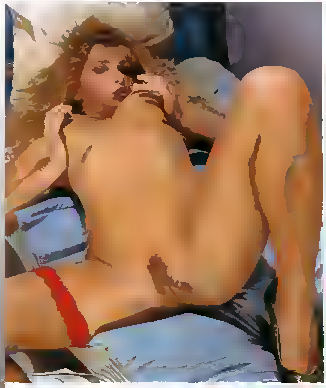

Ye la leche cien y fresca es mejor con cualquier aftershave después de hacerse la barba. La leche es como cosmétion para el cuerpo exterior. Cada vez quiero más y por eso no dejo de meterme la picha dentro para la mijita jóven que sabar gozar de lo más!
